We give you control of your account so you can add multiple users. Each person has their own administrative access to manage their own accounts including client contact details and renewals.

Real people, on standby to help you

BrokerPal is supported by a dedicated team of account managers and underwriters available should you need assistance when using the system.

No minimum premium required

As no minimum premium is required for using BrokerPal, you can trade as little or as much as suits your business.

Here's a bit more about our products:

GAP

GAP insurance for cars, ensures that your policy holder is protected against the possibility of a shortfall between the claims settlement value, and the market value of their car in the event of a total loss claim with their motor insurer.

Here are the nuts and bolts:

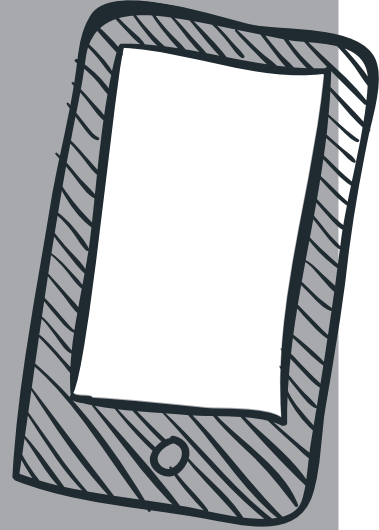

- Cover available for cars up to the age of seven years worth up to a value of £150,000
- Includes a claims limit of up to £20,000
- Select the length of your GAP policy between 1-5 years
- Simple and clear eligibility criteria for brokers and customers to see if the product is suitable

Scratch & Dent

Scratch and dent will for the duration of the policy, pay for the cost of repair resulting from minor body damage to a vehicle.

Here are the nuts and bolts:

- Using SMART (Small to Medium Area Repair Technique) repair techniques we cover
 - Paint chips which are less than 150mm in diameter
 - Dents not exceeding 150mm in diameter
 - Scratches less than 150mm in length
